FORMATIONS ET DIPLÔMES, SPORTIFS DE HAUT NIVEAU

Cérémonie des diplômes

This year, 71 athletes were able to take part in the famous graduation cap toss on Thursday, November 07, 2024! A privilege granted every year to all the elite athletes who have graduated from the school, as part of the traditional ceremony held at INSEP in their honor.

Combining high-level sport and study is no easy task. Even more so in this year of the Olympic and Paralympic Games, in which 8 of this year's graduates took part*. But it's fair to say that our students lived up to the Institute's reputation by once again rising to the challenge of this dual project: :

- > 100% brevet success rate (all with honors!)
- > 100% success rate and 95% honors at baccalauréat level
- > 86.36% success rate in 20 vocational training courses (CQP/BPJEPS)
- > 94.73% for university courses (STAPS, BTS and Sport Com) with special mention for our 6 BTS MCO graduates (100% success rate!)
- > 100% success rate in non-INSEP courses (12 graduates from Bac + 2 to Bac + 5)

Remarkable results made possible by the daily commitment of our teaching teams and the involvement of our long-standing academic partners
