The INSEP document resource centre constitutes a comprehensive multimedia collection dedicated to sports science and techniques, including books, theses and dissertations, congress reports, reviews, videos, articles and databases. It is intended for researchers, teachers, students, coaches and journalists. The document resource centre catalogue can be accessed via the Sport'docs portal, the entry point for sports documentation.

Within the document resource centre, the media library catalogues over 120 newspapers and magazines that can be read free of charge, as well as direct links to 50 specialist online journals that can be accessed from any INSEP computer.
