Séminaire INSEP – réseau grand INSEP : SportEEF

Socio-professional support and training for elite athletes, as well as ongoing training for sports managers, are essential to optimizing performance.

📅 ADD TO THE CALENDAR

With this in mind, INSEP and the grand INSEP network are working on a daily basis to strengthen actions and improve procedures in this area. To this end, a SPORTEEF seminar will be held at INSEP on May 27 and 28.

The aim of this seminar will be to discuss digital tools applied to the field of sport. The aim is to reflect collectively on new pedagogical practices, as well as on the technological innovations that are transforming training in this field.

This seminar is open to all members of the grand INSEP network. As a member of the grand INSEP network, each accredited center will be fully covered (catering, accommodation). Travel expenses are the responsibility of the RGI-certified centers.
