Seminars

Organising an event at INSEP is a way of demonstrating a mutual connection with the key values fostered by elite sport, including performance, excellence, hard work, respect and going beyond personal limits.

The institute is an ideal setting in which to welcome groups of people for professional events (seminars, meetings, product presentations, fairs, corporate events, board meetings, plenary meetings and lectures), or private parties (receptions or networking evenings). INSEP has over 20 unique modular rooms (meeting rooms for up to 250 people and an amphitheatre) that can be adapted to suit your requirements, including receptions with video projection and screen as well as free WiFi access. A fully equipped top-of-the-range film studio spanning 144 m² and operated by INSEP technicians is also available.

The highly regarded experts working at INSEP (coaches, trainers, doctors, researchers and elite athletes) can attend these events upon request. INSEP is also able to organise meet and greets with elite athletes, national coaches and former champions for your guests at lunch or evening events, or sports initiation sessions run by coaches or elite athletes from French national squads in the grounds where they train each day.
